

Staying at Ronald McDonald House Huddinge

Our House is located a five-minute walk from the Karolinska University Hospital in Huddinge.

The House is staffed around the clock and our office hours are 07.00-21.40. We kindly ask you to call: +46(0)8 402 01 01 a week in advance before arrival so we can provide you with the entry code and additional information. We have our own parking lot but the number of spots are limited.

There are 14 family rooms in total with three beds in each. There is also room for an extra bed and/or a baby-crib if needed. Every room has its own name, and that name will also mark your pantry, refrigerator, and freezer in the common kitchen area.

Towels and bed linen are provided and for hygienic reasons, it is important that you always use the linens during your stay in the House. We also offer fruits, spices, coffee, tea, and laundry detergent.

In the House there are plenty of common areas for socializing, relaxing, and play. We hope you will enjoy these. Small children must always be accompanied by an adult when visiting the common areas.

Check out is no later than 12.00 on the day of departure. Before checking out you are required to clean the room, a cleaning checklist will be provided.

We are here for you!

Close to the hospital, close to family!

There are five Ronald McDonald Houses in Sweden. They are located in Huddinge, Göteborg, Linköping, Uppsala and Lund.

Each House is a home away from home where you can be together as a family in a warm and caring environment. You will have your own room with a bathroom, access to a laundry facility and a kitchen area for cooking.

We hope that you will be able to relax and recuperate during your stay with us and that your time here will resemble your everyday life as much as possible.
