Patient Care

#### OUR PRINCIPLES

A. Together as ONE hospital

B. Empowering local leaders

C. Simplifying and reducing administration

D. "Saying YES" and finding solutions

#### **OUR FOCUS AREAS**

1. Karolinska – a global provider

2. Capacity and access - at all times

3. World leading competence

4. Best quality and patient safety

5. From research to patient benefit

6. The smartest hospital

# Leading the future development of Nursing

Karolinska University Hospital - Strategy for Nursing

**Together** we are Karolinska

### We develop and support nursing leadership

- Everyone takes responsibility for and are active in their role
- Highly competent staff are close to the patient

### We drive **professional** development to create excellent care for the **future**

- A clear path for professional development
- Encourage development of new competence
- A sustainable working life

## We co-create innovation to implement **improvements**

- "Dare to test something new"
- Drive the creation of new techniques and technologies and integrate into daily nursing care

#### We provide **excellent** nursing care based on measurable results

- High quality care is person centred and evidenced based Care at Karolinska involves and is cocreated by patients.
- Karolinska is an obvious choice for patients.
- Patient focused nursing variables are present in all quality registers
- Daily evaluation of quality in nursing care

Together we are Karolinska
